**IMPORTANT DATES** 2

It is a privilege to serve as the alumni secretary this year. I have been working diligently on trying to update our Alumni Roster and get back in touch with many alumni whom we have lost contact with over the years. The effort is paying off as we currently have been able to reach over 130 of our alumni brothers with more leads on others everyday. I want to thank all of our brothers who have been a huge help in assisting with finding contact info for brothers as well as providing important historical information with special thanks going to Bryan Cole (Founding Brother), Mitch Schoen (Fall '83), G.R. Schaag (Fall '83), Craig Stuart (Fall '85), Mike Besser (Fall '89), Brian Paster (Fall '91), Hugo Giraud (Fall '91), Charley Cartee (Fall '96), Lauren Burkett (Fall '99), and Barbara Kelly (Honorary) for their constant help. Look for completed Family trees for all of Eta Sigma's lines as well as complete histories for each one to be added to our website, [www.etasigma.com](http://www.etasigma.com), very soon. Also, Check out our alumni page as we will have alumni contacts posted soon as well. Some of the projects that we have already completed this year for the band are getting wagons for the sound equipment and creating attendance boards for the Marching Knights.

As always we invite you to come out to any events that you can make it to, We would love for you to join us.

AEA,

David Jones  
Alumni Secretary

Since there have been many additional alumni added to receive this, it is only fitting to get everyone one on the same page by reviewing what was accomplished last year. First item of note is that we put through a class in the fall. Out of the 5 Membership candidates that began the journey on the path of brotherhood, 4 were initiated as brothers. Congratulations to Al Fuentes, Lee Shaw-Malkoff, Dominca Strader, and Cassie Keyes on all their hard work. We also added an Honorary member to our ranks, Dr. Laszlo Marosi, Orchestral Director at UCF. In the Spring, 2 major events took place. On February 19th, the UCF Orchestra held the world premiere of *Sounds of Brazil*, composed by Hudson Nogueira-Da Silva. What makes this so important is that this piece was commissioned by our chapter. This performance was the culmination of 4 years of hard work by, now alumni, David Szumlanski (Fall '98) and Gary Hernandez (Fall '97). Congratulations to both of these brothers and the music committee for making this happen. Eta Sigma also had the honor of Co-Hosting the South East District Convention. Along with the UCF and Bethune-Cookman College Chapters of Tau Beta Sigma, we hosted SED convention during Spring Break at the Student Union. Not only was convention a huge success, but we also set a national record for convention attendance with over 1000 people over the course of the 3 day event. Over the summer we sent 4 brothers to the National Conven-

tion in Lexington, KY. Here, our own Dr. Richard Greenwood was inducted into the National Chapter and was appointed Vice President of Professional Relations. At the close of Convention, Orlando was chosen as the site of the 2007 National Convention.

### IMPORTANT INFO

Two things that pertain to our alumni specifically. First, the chapter recently decided to forgive all Alumni debt prior to 2000. This was done for many reasons, but the most important are that we are doing fine without the money and if there are alumni who wish to repay any debts, the money would be better used if it were donated to the Marching Knights or the Commissioning Project.

Also, there has been some changes in the National policy of Alumni Status. Under the new policy any brother who has terminated their affiliation with the University (either by graduating or leaving) can be considered Alumni with all privileges thereof.

Projects for this year:

- Chapter song
- Designing/rebuilding Swords for the Scarlet Knights
- Reorganizing the MK Trailer
- Bringing guest composer/performer for Wind Ensemble and Orchestra in the Spring.

These are just the projects that we have right now. We will have more as the year goes on.
